C'è qualcosa che si scatena dentro di te, qualcosa che ti appartiene, il tuo mondo, le tue sensazioni, i tuoi colori. E' ciò che vorresti sempre con te, in ogni momento, che va oltre la moto, oltre la polvere, più forte del rombo del motore. E' il tuo stile, solo tuo, fatto di istinto e passione, uno stile inconfondibile, unico come la tua moto.

Inside of you something is waking up, something that belongs to you, your world, your feelings, your colors. Something you could never do without, that goes beyond the bike, beyond the dust, something stronger than the roar of the engine. Is your style, just yours, made of instinct and passion, an unmistakable style, unique like your bike.
